BROWN, Judge.

In accordance with the Court's Order (#64) issued on January 27, 2012, the Court **GRANTS** the Petitioner's Amended Petition (#10) as to the disciplinary hearing resulting in Petitioner's conviction for Conduct Which Disrupts or Interferes With the Security or Orderly Running of a BOP Facility. Accordingly, the resulting incident report should be **EXPUNGED** and all sanctions arising from that particular hearing should be **REVERSED**. The Court **DENIES** the remainder of the claims in Petitioner's Amended Petition.

Based on Respondent's Status Report (#73) and the Declaration (#74) of Robert Ballash, the Court is satisfied Respondent has now complied with the Court's Order (#64) by expunging the incident report at issue and reversing all sanctions arising from the incident. Accordingly, the Court **DISMISSES** this matter.

IT IS SO ORDERED.

DATED this 17th day of February, 2012.
